Sprint Report- 3/15/-3/26	
Sprint Name	Very observant, the sacred and the propane
Number of Tickets	20
Report Period	Week 1 of 2
Number of Points	44
Features Slated To Go To Market	Owner Brochure, Product Category Experience
Sprint Status	YELLOW
Sprint Objectives	• Begin work on FE components for Asset Management • Release Owner Brochure • Release Project Category Experience
Sprint Report	Josh ran into a couple of issues with his last ticket for product/ project category experience. He made his fixes late Friday and they will be tested on Monday for hopefully release/ configuration Thursday. Owner Brochure ran into some additional issues from testing. The deadline on this is probably going to be pushed to week after next due to Ryan being on PTO. Asset Management work is on track.
